## 16<sup>th</sup> SUNDAY ORDINARY TIME

July 21, 2019

### Gospel Today: Luke 10:38-42

Martha's generous service is not minimized by Jesus, but her worries show that her service needs to be grounded in Mary's kind of love for him. Together, the sisters embody the truth that generosity and love of God are intertwined realities. Following Christ means becoming like Martha and Mary. Be generous and love God. These are mutually reinforcing, as is the two sisters' relationship with each other.

**Parish Website** - Please visit our newly set up parish website: [www.ourladyofmercyparish.weebly.com](http://www.ourladyofmercyparish.weebly.com) and find out what's going on in our parish. Our weekly bulletin, in particular, is posted in the said website.

The Ontario State Deputy of the Knights of Columbus, David Peters, along with other KC officers visited our parish this week and announced that he intends to personally oversee the creation of a new Knights of Columbus Council in Our Lady of Mercy Parish. This is an endeavour which I fully support. In this regard, I wholeheartedly encourage all Catholic men in our community who are over the age of eighteen to join this Catholic Fraternal Organization. A representative of the Knights will be at the back of the church after all masses to provide more information on how you can become a member. Please take the time to talk to him on the way out. For further information regarding membership in the Knights contact, tel. 905-279-5057, website: <http://www.kofc.org/en/>. Fr Martin

**Vocations Office** - Hello friends! My name is Father John Perdue and I am the Director of Vocations for the Diocese of Peterborough and the Director of Peterborough Campus Ministry, our outreach to students at Trent University and Fleming College's Sutherland Campus. It has been a blessing to work with our seminarians and with young people seeking to discover the will of God for their lives. I have also witnessed incredible growth in our Catholic student groups at Trent University and Fleming College. Lives are being changed as young people discover Jesus and the Church for the first time. As you well know, young people discerning their vocations and college students do not have the financial means to contribute to our ministry efforts. We sincerely need your help. I have high hopes and concrete plans to develop these ministries, but financial resources are a limiting factor. Bishop Miehm has graciously allowed for a special collection for Vocations and Campus Ministry to be taken up in all parishes on the weekend of August 3-4. You will find an envelope set aside for that purpose. Please give generously to these worthwhile and growing ministries. Thank you very much, in advance. Please enjoy these brief witnesses from our young people! "For me, the Vocations Office has been the place to share my concerns regarding formation as well as meet for fraternal fellowship, be it with the other seminarians, or the men discerning where God is calling them. I have witnessed the fruit of the programs offered through the Vocations Office. Young men and women, myself included, have been able to prepare their hearts to say "yes" to God and to have the courage to follow where God leads them."

**Catechism of the Catholic Church** (MORAL CONSCIENCE 1776) "Deep within his conscience man discovers a law which he has not laid upon himself but which he must obey. Its voice, ever calling him to love and to do what is good and to avoid evil, sounds in his heart at the right moment.... For man has in his heart a law inscribed by God.... His conscience is man's most secret core and his sanctuary. There he is alone with God whose voice echoes in his depths."

**Pope Francis** – "On the Feast of Our Lady of Mount Carmel (July 16), we contemplate the Virgin who stands beside the Cross of Christ. That is also the place of the Church: close to Christ." "We pray for the sick who are abandoned and left to die. A society is human if it protects life, every life, from its beginning to its natural end, without choosing who is worthy to live or who is not. Doctors should serve life, not take it away."
